

# About Us

## About Us

**Stainhandler** Roof and Deck Cleaner and Stainhandler Roof Protector zinc strips are products of Savetime, a Corporation in business for over 27 years and members of the Better Business Bureau. In 15 years on the market the cleaner has never failed to get the job done! All zinc strips do the job of preventing algae, but the convenient size and application method for Stainhandler zinc strips (Patent Pending) set them apart from all the others. You can order either or both of these products with complete confidence that they will work for you as they have for thousands of satisfied users.
